## Notice Regarding Designation for Students Residing in the Carrington and Coventry Hills

Dear Parents/Guardians,

The Calgary Board of Education (CBE) would like to inform parents/guardians that Cambrian Heights School and Colonel Irvine School are experiencing continued enrolment and are at capacity. To relieve the high enrolment pressures, students living in the Carrington community and a portion of the Coventry Hills community are being re-designated to another school.

Effective for the 2023-24 school year, the following changes will be implemented:

- Students living in the Carrington community will no longer be designated to Cambrian Heights (kindergarten - Grade 6) and Colonel Irvine (Grade 7 – Grade 9) and will now be designated to Northern Lights (kindergarten - Grade 5) and Nose Creek (Grade 6 - Grade 9).
- All new registrations from students that reside in the Coventry Hills community who are on the boundary of Coventry Hills School and Northern Lights School, and who choose between the schools, will now be designated to only Coventry Hills School.
- All new registrations from students that reside in the west portion of the Coventry Hills community currently designated to Northern Lights will be designated to Coventry Hills School.

Please see maps below for more information on new designation boundaries.

### Can my child stay at their current school?

For students in the Carrington community:

- Students in Grade 5 in the 2023-24 school year may stay at Cambrian Heights School.
  - Families choosing to transition into Grade 5 at Northern Lights School in the 2023-24 school year should be aware that they would be attending three different schools over three years.
- Grade 9 students may stay at Colonel Irvine School for the 2023-24 school year.
  - Families choosing to transition into Grade 9 at Nose Creek School in the 2023-24 school year should be aware that they would be attending three different schools over three years.
- All other students must attend their newly designated school in the 2023-24 school year.
- Any Grade 5 or Grade 9 students remaining at their current school will have access to transportation services for the 2023-24 school year. Transportation services will only be offered at students' newly designated school the following year.

For students in the Coventry Hills community:

- Students from the west portion of the Coventry Hills community, and students living on the boundary, that are currently attending Northern Lights School may stay at the school until they complete Grade 5. These changes will only impact new student registrations.
- Transportation to Northern Lights School will be grandfathered for one year, the following year students will need to transition to Coventry Hills School or provide their own transportation.
- Transportation services will not be offered to the newly designated school as Coventry Hills School is expected to be within the walk zone for students living in the optional boundary and the west portion of Coventry Hills, subject to Transportation Advisory Committee's review of the walk zone. Once the walk zone is confirmed, it will be communicated to families.

**School designations for the Carrington community will be as follows:**

School Year	Cambrian Heights School	Colonel Irvine School	Northern Lights School	Nose Creek School
2022-23	K – Grade 6	Grade 7 - 9		
2023-2024	Optional*: Grade 5	Optional*: Grade 9	K – Grade 4 Optional*: Grade 5	Grades 6 – 8 Optional*: Grade 9
2024 - beyond			K – Grade 5	Grade 6 – 9

\* **Optional:** Students may complete their Grade 5 and Grade 9 year at their current school or move to Northern Lights School or Nose Creek School in the 2023-24 school year.

### **Why is the Carrington community being re-designated?**

As the population continues to grow in the northwest communities of Calgary, there is a need to relieve pressures caused by high student enrolment in Cambrian Heights and Colonel Irvine Schools. CBE has identified an opportunity to re-designate the Carrington community, which allows us to reduce the enrolment at each school.

The Carrington community is smaller than neighbouring communities and, therefore better positioned to transition into the newly designated schools.

Additionally, these changes will allow students in the Carrington community to remain together as a cohort throughout their school years.

### **How do I register for school next year?**

Kindergarten registrations for the 2023-24 school year begin on Jan. 16, 2023. For more information on how to register, please visit [our website](#).

### **How will students get to school?**

Students are eligible for transportation to their designated school if they live beyond the walk zone. Visit [Busing & Transportation](#) for more information.

**What if I have more questions?**

Please reach out to your school principal if you have questions regarding these changes.

If you still have questions or require additional information, please contact the Area 2 office at [Area2@cbe.ab.ca](mailto:Area2@cbe.ab.ca) or 403-777-8710 (extension 0).
