

## Wi-Fi and Internet Access Terms and Conditions for Rentals and Leasing CBE Facilities

Individuals or Groups that rent or lease Calgary Board of Education (CBE) facilities are responsible for providing their own technology needs during the rental or lease period. CBE is not responsible for providing or supporting the technology needs during that period. All costs associated with deploying and supporting the technology needs is the sole responsibility of the Renter or Leaseholder.

Short-Term temporary (daily) Wireless and Internet Access is available via the CBE guest Wireless environment. Please reference the terms and conditions along with the guest access instructions below:

### CBE Guest Wireless and Internet Access

CBE technology services like that of the Wireless networks and Internet services are primarily to support the Learning outcomes of CBE Students. As such, priorities will always be given to ensure the Technology services are optimally designed, configured, supported and used in a manner that ensures CBE Students are able to leverage technology within our schools and facilities to achieve those outcomes.

CBE Wi-Fi terms and conditions must be accepted prior to use:

[www.cbe.ab.ca/privacy-statement/Pages/wifi-terms-and-conditions.aspx](http://www.cbe.ab.ca/privacy-statement/Pages/wifi-terms-and-conditions.aspx)

CBE at its sole discretion may discontinue the service due to improper use or used for inappropriate purposes. There are no expectations of privacy for users of the CBE Wireless and Internet service and as such the use shall be at your sole risk and CBE shall be relieved from all liability in connection therewith.

Guest wireless hours of use are daily from 7:00 a.m. – 10:00 p.m. The offering for this service is "As-Is" with no guarantee of availability or expectation of support. While it is not the CBE's intention, the service could be discontinued at any time. CBE also reserves the right to make modifications to the service without notice.

Daily Access – information and instructions for connecting to the Guest Network are in CBE Wireless: [www.cbe.ab.ca/programs/technology-for-learning/Pages/get-connected.aspx](http://www.cbe.ab.ca/programs/technology-for-learning/Pages/get-connected.aspx).

Note guest wireless access provides internet access that is appropriately restricted and regulated."
