¹ Entire school year results show the performance of all students in the school authority for all tests.

² Percent of Students obtaining Acceptable Standard i.e. Pass - a mark of 50% to 100%.

³ Percent of Students obtaining Standard of Excellence i.e. Honours - a mark of 80% to 100%.

⁴ Students writing French translations of the examinations are included in the statistics.

These results are for examinations completed before June 20. All students registered wrote the examinations, and the results are therefore a valid representation of student achievement.

Participation rates have not been included because a change in methodology used by Alberta Education has resulted in a radical revision of the rates previously published and it is therefore not possible to draw any meaningful inferences.
