Part 4 | Expression of Interest and Personal Reflection

For Completion by Student

This part of your IB registration asks you to reflect on yourself as a learner, the breadth and depth of the IB Programme, and your goals

- It is designed to help you reflect on what you have learned about IB from the information provided in this registration package, your strengths as a learner, and how IB supports your learning goals.
- It also helps the teachers at your school provide personalized support for your learning in the IB Programmes.

1	Describe your involvement in extra curricular activities during junior high school and/or your participation in groups or activities outside of school, including competitions and volunteer work (for example, Scouts, youth groups, music lessons, Science Fair, Sports, etc.)
2	The IB learner profile describes IB learners as individuals who strive to be “inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced, and reflective.” Describe specific examples that support how you demonstrate <u>two</u> IB learner profile attributes.

3

Using the IB learner profile characteristics (individuals who strive to be “inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced, and reflective”), which two traits would you like to develop as areas for personal growth? Explain why and/or how developing these traits will benefit you as a learner.

4

Describe your strengths as a learner and conditions that contribute to your success as a learner. Be sure to use specific examples to demonstrate each.

5	Briefly, outline your plans following high school, and describe how the IB Programme fits with your future plans.
