

# Future Growth in Calgary and at CBE High Schools

Over the next five years, only **3** of 20 CBE high schools are projected to be within the balanced utilization range (85-100%) that best supports student learning.

Get involved, share your ideas and help us balance opportunities for all high school students. [cbe.ab.ca/highschoolengagement](http://cbe.ab.ca/highschoolengagement)

**Balanced utilization = balanced opportunity for all high school students**

- A wide range of courses
- Access to athletics, extracurricular activities and student supports
- School space and movement within the building

**Projected high school utilization\* at a glance**

**Over 120%**

- Dr. E.P. Scarlett
- Ernest Manning
- Joane Cardinal-Schubert
- Nelson Mandela

**100 - 120%**

- Centennial
- John G. Diefenbaker
- Lester B. Pearson
- Sir Winston Churchill
- Western Canada
- William Aberhart

**85 - 100%**

- Crescent Heights
- Queen Elizabeth
- Robert Thirsk

**50 - 85%**

- Bowness
- Central Memorial
- Forest Lawn
- Henry Wise Wood
- Jack James
- James Fowler
- Lord Beaverbrook

City-wide, uneven growth in high school aged populations over the next five years will further increase pressures

- Greatest growth
- Average growth
- Least growth
