

School situation based on 10-year enrolment projections		Over-utilized schools offering more than one program (regular program, IB, French Immersion, Spanish Bilingual, Arts-Centred Learning)	Over-utilized schools offering only the regular program (may include AP)	Under-utilized schools and schools with balanced utilization
Schools		Dr. E.P. Scarlett, Western, Sir Winston Churchill, William Aberhart, James Fowler, John G. Diefenbaker, Lester B. Pearson	Forest Lawn, Joane Cardinal-Schubert, Centennial, Ernest Manning, Nelson Mandela	Under Bowness, Jack James, Lord Beaverbrook Balanced Central Memorial, Crescent Heights, Henry Wise Wood, Queen Elizabeth, Robert Thirsk
In-scope factors possible for each school situation	Boundaries	Change boundaries to redesignate some students to other school(s)	Change boundaries to redesignate some students to other school(s)	Expand the boundary to include students from an over-utilized school
		Redesignate an entire program to another school	Not applicable	Add an entire program that is relocating from an over-utilized school
		Cap enrolment and designate an overflow school if/when enrolment exceeds the cap	Cap enrolment and designate an overflow school if/when enrolment exceeds the cap	Become a designated overflow school for an over-utilized school
	Expansion or contraction programs	Decrease enrolment in an existing program	Not applicable	Become a new location for an existing alternative program (increase enrolment in an existing program)
	Grade configuration changes	Not applicable	Not applicable	Add a grade(s)
Implementation	Timing Grandfathering Other considerations	Timing Grandfathering Other considerations	Timing Grandfathering Other considerations	

When more than one in-scope factor is possible, decisions may include changes related to more than one in-scope factor.
