# Shaping the Future of CBE High Schools

Access • Flexibility • Choice

## Provide Feedback on Proposed Plan June 1-13, 2021

After launching the high school engagement in May 2019, this is the last opportunity for people to provide feedback before a decision is made. We will share the proposed plan with you on June 1.

This plan has been informed by the following:

- CBE [values](#) and [planning principles](#)
- Available space and resources
- Financial sustainability
- [Input and feedback](#) from students, staff, parents and community members over the past two years

In March 2021, we shared two scenarios for feedback. This proposed plan is a blend of [scenarios A and B](#) to balance enrolment across 21 high schools. Here's how you can provide your feedback on this plan (You will receive an email and links will be available on our [high school engagement webpage](#) June 1):

### Complete an Online Survey

- There will be three different surveys: parents/public, students and staff.
- They will be open June 1-13, 2021.

### Post a Question or Comment on Idea Boards

- These discussion boards will be open June 1-8, 2021.
- We will provide timely responses particularly to questions that provide you with information necessary to complete the online survey. Other questions and comments will be reviewed by our engagement planning team and decision-makers.
- Comments, questions and discussions will remain on the website after June 10.

## Decision by June 30

We received many requests from people to make decisions as soon as possible so that students, staff and families can plan for any changes. In response to that feedback, we will share a final decision by the end of June.

Thank you for your ongoing participation in this process!
