Future School Involvement

- Battalion Park
- Bishop Pinkham
- Jennie Elliott
- Killarney
- Glamorgan
- Vincent Massey
- Olympic Heights

Schools Not Involved

A.E. Cross	Part of a previous accommodation plan. Grade 7 Spanish Bilingual started this year with expansion over the next two years.
Battalion Park	May be needed as a potential overflow location for Griffith Woods. Consideration for before and after school care. Consideration for complex learning class. Long term plan to right size building.
Bishop Pinkham	Part of a previous accommodation plan when Bishop Pinkham was nearing capacity. Will accommodate regular program and French Immersion into the future.
Jennie Elliott	Will become the new home for the Grade 1-6 Deaf and Hard of Hearing Program.

Schools Not Involved

Killarney

Lower intake for the 2017-2018 school year. Will continue to monitor enrolment trends.

Glamorgan

Unable to expand program due to lack of junior high space in the area. Expanding elementary would create further challenges for Grades 7-9.

Vincent Massey

Enrolment growth from designated communities will maintain student population.

Olympic Heights

Home area students previously overflowed have been called back.
Consideration for complex learning class.
