

# Online forum for school councils

- School councils have expressed interest in this opportunity.
- A place for CBE school councils to connect with one another.
- A place where the CBE could share information and ask for feedback and ideas from school councils on specific topics.

# Online forum for school councils

- Users of the forum would need to follow guidelines like those outlined in the CBE Social Media Guidelines for School Councils (copies on tables).
- CBE Communications would be responsible for ongoing maintenance and monitoring.

# Online forum for school councils

- Users of the forum would need to follow guidelines like those outlined in the CBE Social Media Guidelines for School Councils (copies on tables).
- CBE Communications would be responsible for ongoing maintenance and monitoring.
- Could reside on CBE servers or outside using something like Google Groups.

# Online forum discussion questions

- Is this something your school council would use?
- How do you think the online forum would help your school council?
- Do you have any concerns about the online forum?
- What topics would you be most interested in discussing in the online forum?
