Other comments included:

- Thank You
- Rich discussion - thanks. Jo Pittman is a trooper!
- Too much to cover in to short of a time frame. Felt everything was rushed.
- Joanna, you are a breath of fresh air at the the CBE!!! I enjoyed listening to your insights and look forward to seeing the work you put out! Sara W., Scenic Acres School!!!
- Really enjoyed the presentation by Joanna on Assessment & Reporting. Very informative and well said. You can tell she cares and we need more people like her!
- First timer - inspires me to be a better/more engaged parent and council member and community member, whereas, I've always just sort of "sat back" & watched, followed along. Thank you for having me.

- Would like time to speak to someone presenting during table discussions.
- School Council info vs. School Society needs to be reviewed, I missed that meeting and more info would be appreciated.
- Didn't have an opportunity to discuss topics with other councils, more listening to presentation and hearing other people's questions.
- More Council on IPP's and how CBE addresses grading and support.
- Lots of information - thanks for the opportunity to hear first hand.
- Key topics to be sent in advance for school councils to review - so questions of the group can be brought to the table.
- Thanks for the presentation and for these meetings. Great to exchange ideas.
- The table set up is awkward to see the speaker. Rows of chairs would be easier!
- Awesome, looking forward to the next one.
- Very enjoyable, I look forward to returning.
- I found the conversation about the Grades System very interesting as a first time attendee.
- Thank you
- More frequent COSC Meetings. There's always more content than time. Assessment & reporting could have been a COSC meeting onto itself.
- Always love these meetings as a cross section of the CBE and to interact with parents & administrators.
- It would be good to have more frequent COSC's - perhaps some that are big-picture like this one, and some intended to allow councils to communicate and bring their concerns to trustees.
- Separate - Could also have group ASCA training sessions. The intro to council is valuable but not needed by everyone.
- The cookies were delicious (side note). Thank You!. Everything was well presented and clear.
- Great meeting, very well organized and lots of information.
- I valued the clarity in leadership: who is who, and does what. The assessment piece was strong: for my learning and my participation. Thank you!!
- Excellent first meeting!

- Will we have opportunity to sit/talk within our wards - my needs for my school are different than other areas in the city.
- Great first meeting. Jo's presentation was great; she is a wonderful speaker. Thank you for your work on the assessment & reporting as this is so important to understand (esp. the children)
- Need more time for conversation; time limited this, though it is understandable given the topics at hand.
- Thank you for organizing!
- More water!!
- Best COSC Meeting for a while. Good to the CBE re-assessing the 4-point scale.
- 1-4 scale very difficult to understand.
- Thank you for a well planned meeting!
- Would have liked the full session on report cards. Still somewhat confused. Focus please. Would rather have another session on report cards.
- We need another session on report card marking please.
- Find much of the discussion challenging and somewhat convoluted. Would be best to have "take away message" that are most important to take back to our Councils.
- 4 point presenter was amazing! Will she come and present at my school? Just Kidding.
