CBE students commemorate Canada's mission in Afghanistan

For Immediate Release

CALGARY — Join students from Juno Beach Academy as they commemorate the completion of Canada's mission in Afghanistan this month.

Alberta Education has encouraged all Alberta schools to participate in a ceremonial raising of the flag on March 12 in recognition of this important milestone. This kind of event is very closely aligned with the education that Juno Beach Academy provides. Through the school's unique program, students develop a deeper understanding of their country through their studies and learn about their role and responsibilities as citizens of this country.

Media are invited to a special student-led assembly that will include a video presentation, remarks from Major Peter Boyle, CD, ADC and conclude with raising the flag outside the school.

CBE schools will begin the day by lowering their flags to half-mast at sunrise.
