RE: Reminder to book routine immunization appointment for Online Learning students.

Dear parent/guardian,

Students in Grades 6 and 9 who are not in a traditional learning environment this year are still eligible for routine immunizations offered in in these grades each year.

Alberta Health Services would like you to call your local Community Health Centre to book an immunization appointment for your child.

Please consult the immunization schedule at www.immunizealberta.ca to ensure your student is up to date. You can call 811 if you need more information.

Thank you for continuing to work with us to protect the health of all Albertans.

Sincerely,

Joanne
