Dear Parents/Guardians,

We are very excited to open Peter Lougheed School in the Saddle Ridge community, and I know that you and your children are equally excited! Everyone is working very hard to have our new school open on time, but unfortunately the amount of rain we received this summer has slowed construction progress.

Change to the first day of school

The first day of school will be changed to Friday, September 9 for students at Peter Lougheed School. We will let you know if this date changes.

- Please make child care arrangements for September 6, 7 and 8.

We want to ensure that you are well informed and we understand that a short delay in opening may cause child care difficulties for families. We are also connecting with our community partners to see if there are any opportunities for student activities during those days.

We are closely watching the construction progress and will provide you with updates through email and the [school website](#) when we have more information.

We will continue to take new student registrations at the Area III office located at 4711 Maryvale Drive NE. until our school opens.

Please check the school website regularly for updates on the opening of our school and other related information. I look forward to seeing you and your children on September 9. Please contact me at peterlougheed@cbe.ab.ca if you have any questions.

Sincerely,
Gord Choate, Principal
Peter Lougheed School
