Dr. George Stanley School Opening

Dear Parents/Guardians,

I am excited to confirm that our new school will open on Jan. 3, 2017. Students will remain in the same classes with the teachers and classmates that they've had since the beginning of the year.

Dec. 16 will be a non-instructional day. We will use this day to organize the supplies and materials and prepare classrooms for the first day of school in January.

School Hours

Our school hours will stay the same. The lunch time may be adjusted to accommodate students going home for lunch.

Transportation

Only students who live outside of the school's walk zone will be eligible for transportation to the new school. Information on the walk zone can be found on our [website](#). New route maps for students who will continue to take the bus will be available before winter break on the [Find My Bus Route](#) webpage.

Please fill out the [Request to Cancel School Bus Transportation](#) form as soon as possible ONLY if your child is eligible for transportation to the new school, but will NOT take the bus. Transportation contracts for students living in the walk zone will automatically be cancelled.

Please check your [My CBE Account](#) to ensure the fees you have been charged are for the correct length of your contract (4 months or 10 months).

If you have any questions regarding transportation

please contact CBE Transportation at 403-817-7433 or transportation@cbe.ab.ca.

Noon Supervision

Students who live within the walk zone and will stay for lunch at the new school will need to **re-register for noon supervision**. After Dec. 31, 2016, please visit your [My CBE Account](#) to re-register. Students who are continuing to take the bus do not need to re-register.

If you have any questions about the move to our new school please contact me at drgeorgestanley@cbe.ab.ca or 403-817-3556.

Dr. George Stanley School is absolutely beautiful and I know it will be a wonderful place for all of our students to learn and grow.

Sincerely,
Patty Numan, Principal
Dr. George Stanley School
