Redesignation Plan for Schools in South-Central Calgary – Mount Royal School

Dear Parents/Guardians,

This letter is to inform you we are launching a redesignation plan for schools in south-central Calgary as part of the CBE's ongoing System Student Accommodation Planning. This plan balances enrolment at schools in south-central Calgary to support student success and provide a more equitable learning experience for students at all affected schools. It is driven by three factors:

- Over-utilization at Elboya, Mount Royal and Rideau Park schools.
- Under-utilization at Chinook Park and Woodman schools.
- The opening of more than 200 K-6 spaces in the area due to a former charter school returned to the CBE.

Some details of the plan are dependent upon the proposed relocation of CBE Home Education from Windsor Park School to Bel-Aire School, which will be presented to the CBE Board of Trustees in December 2024. If, at that time, the Board approves the commencement of the public input process to consider closure for the purpose of relocation, the final decision to relocate the program is expected to be made by the Board of Trustees by February 2025, in alignment with [GC-3E \(2\): Closure of Schools Procedure](#).

What does this mean for students at Mount Royal School?

If the Board of Trustees moves forward with the recommendation to relocate CBE Home Education to Bel-Aire School, students from the communities of East Village, Beltline east of 4 St. S.W. and the Downtown Commercial Core east of 4 St. S.W. will be redesignated to Elboya School. The redesignation will be phased in, with students entering Grade 9 in the 2025-26 school year able to stay at Mount Royal School. The contingency plan if CBE Home Education remains at Windsor Park School is for these communities to remain at Mount Royal School, subject to the existing cap and overflow.

Students living in communities designated to Mount Royal School who are not listed above will remain designated to Mount Royal School.
