inform | Chinook Learning Services is Moving to Spruce Cliff School

Dear Students and Parents/Guardians,

Chinook Learning Services (Chinook) currently offers High School Upgrading courses in classrooms at Lord Beaverbrook, Forest Lawn, and James Fowler High Schools. In early 2026, Chinook will consolidate these three locations into the CBE's Spruce Cliff School in the city's southwest, near Westbrook Mall and LRT station.

Why is this change happening?

Enrolment in high schools across the city continues to increase due to our city's rapidly growing population. We need to make space in CBE high schools to accommodate this growth. The CBE explored many options to find the best possible decision for students and the sustainability of Chinook programming. Spruce Cliff School was selected as it is big enough to maintain Chinook's operations and has many nearby transportation options and amenities for students and staff.

What will happen between now and early 2026?

During the remainder of the 2024-25 school year, Chinook will continue to operate out of its current locations. In the first semester of the 2025-26 school year, courses will be offered at Forest Lawn High School and the CBE Career and Technology Centre located near Central Memorial High School. The necessary renovations are expected to be completed at Spruce Cliff School by the beginning of the second semester of the 2025-26 school year. These include preparing classrooms, installing equipment and expanding the school parking lot.

Students can still register for courses using the current registration process during this time. Course offerings will be shared on the [Chinook Learning Services website](#) as they become available.

Am I able to provide my feedback?

We welcome feedback from students, families, staff and members of the Spruce Cliff community about the challenges and opportunities related to this decision.

We have a survey and feedback form available [here](#).

What if I have additional questions?

Additional questions can be directed to accommodation@cbe.ab.ca.
