Reminder Notice Regarding Altadore and Richmond School Designations for Kindergarten to Grade 6 Regular Program Students

Dear Students and Parents/Guardians,

The Calgary Board of Education (CBE) would like to remind parents and students that due to the continued enrolment growth at Altadore School there was a designation change implemented between Altadore and Richmond Schools.

Students Currently Attending Altadore School

Students who were attending Altadore School at the time of the designation change will be able to remain at Altadore School until the end of Grade 6 provided they do not move out of the community.

Students who will have a younger sibling starting in kindergarten at Richmond in the 2020-2021 school year still have the option to transfer to Richmond School.

How will students get to school?

All students in the re-designated area are within walking distance to Richmond School. For those students who remain at Altadore School, transportation services to Altadore School from the transportation zone in the re-designated area will end June 30, 2020. Families of students living in the re-designated zone, who chose to remain at Altadore School rather than move to Richmond School, will be responsible for transportation to and from Altadore School after June 30, 2020.

Transportation Services

Information regarding [transportation services and fees](#) is available on the CBE website.
