Notice Regarding Regular Program School Designation for Students Residing in Belvedere

Dear Students and Parents/Guardians,

The community of Belvedere is located in the East Planning sector of the city between Stoney Trail NE and 116 Street SE/Range Road 284 (see map on the back of this notice). Commercial development already exists Southwest of 84 Street SE with the East Hills Shopping Centre. Residential development is proceeding to the East of this area with 4,000 people anticipated for this stage of the development. The Belvedere development will ultimately include four communities that will accommodate approximately 61,000 people and will be built out over the next 15 to 20 years.

The Calgary Board of Education (CBE) would like to advise of the following school designations for students residing in the community of Belvedere.

Regular Program

Elementary	Abbeyle School	320 Abergale Drive NE, Phone 403-777-6970
Junior High	Dr. Gladys M. Egbert School	6033 Madigan Drive NE, Phone 403-777-7780
Senior High	Forest Lawn High School	1304 - 44 Street SE, Phone 403-272-6665

General information regarding transportation services, fees and walk zones are available on the Calgary Board of Education's website www.cbe.ab.ca and at the schools.

Information Regarding Transportation Services for Regular Programs

Until yellow school bus service is added to new communities, we provide a stop as close as possible in a neighbouring community. The initial bus stop location may not fall within the current CBE guidelines for travel distance to a bus stop. Stops and services are reviewed as conditions change in a new community. For any questions, please contact transportation@cbe.ab.ca.

New communities are regularly assessed for their suitability for transportation services. We ensure there is a consistent and safe path that is clear of obstructions which are frequently caused by construction supplies and equipment in newer communities. We need city maintained roads for the yellow school bus to enter, maneuver to pick up students and safely exit the community. Next, we look for an appropriate place for a bus stop that will allow for consistent safe loading and unloading of passengers. Once there is a safe path and a safe stop location, we add yellow school bus service to new communities.

Alternative Programs at the CBE

The CBE also offers many alternative program choices for our students. For information regarding designations to other CBE programming opportunities visit [Program Options](#).

Information Regarding Transportation Services for Alternative Programs

Where students are not attending their designated regular program school, congregated bus stops may be in place when there are too few students to send a yellow bus in to a community and still meet our fiscal responsibility to reduce busing costs. This CBE guideline applies to all communities not only new communities. Congregated stops may not be within walking distance. Rather, they are a gathering point for students in nearby communities from which the number of riders are very low. Parents and guardians may have to make alternate arrangements to get to the bus stop or school in these cases. For any questions, please contact transportation@cbe.ab.ca.

If you have questions, concerns, or require additional information, please contact the Area 3 office at 403-777-6820 (extension 0) or Area3@cbe.ab.ca.
