Notice Regarding Grade Configuration Changes for the Traditional Learning Centre (TLC) at Brentwood and Thomas B. Riley Schools

Dear Students and Parents/Guardians,

The Calgary Board of Education (CBE) would like to inform parents and students of a change in grade configurations for the Traditional Learning Centre (TLC) program at Brentwood School and Thomas B. Riley School.

Thomas B. Riley School is currently at capacity as it accommodates students in the TLC program Grade 6-9, regular program Grade 7-9, and two complex learning classes. Brentwood School currently accommodates TLC program kindergarten to Grade 5 and has excess capacity.

A grade configuration change will address the accommodation pressures at Thomas B. Riley School and balance system enrolment. Therefore, effective September 2022, Brentwood School will change to a kindergarten to Grade 6 grade configuration for TLC program students, and Thomas B. Riley School will accommodate Grade 7-9 TLC program students. This change means that current Grade 5 TLC students will remain at Brentwood School for Grade 6 next year.

Enrolment in the TLC program at Brentwood School and Thomas B. Riley School will continue to be capped. If there are more registrations than spaces available in the program, student acceptance will be determined using the established CBE alternative program lottery process. New registrations must be received by noon on Tuesday, Feb. 15, 2022 to be eligible for the lottery. Information about the CBE lottery process is available at [Lottery Information for Parents](#).

What is happening to the regular program at Thomas B. Riley School?

The regular program has been maintained and there is no change to the regular program grade configuration at Thomas B. Riley School.

Transportation Services

Students are eligible for transportation to their designated school if they live beyond the walk zone. Information regarding transportation services and fees is available on the CBE website www.cbe.ab.ca and at the schools. Visit [Busing & Transportation](#) for more information.
