## Notice Regarding Grade Configuration Changes at Keeler School

Dear Students and Parents/Guardians,

The Calgary Board of Education (CBE) would like to inform parents and students that Keeler School will expand to include Grade 6 for Forest Heights and Redstone community students for the 2022-23 school year and beyond.

In a previous notice dated February 25, 2021, the CBE informed parents that Keeler School will expand to Grade 6 for the Redstone community in 2022.

Based on the feedback received from families and in an effort to keep cohort groups of students together at Keeler School, the CBE has decided that Grade 5 students from Forest Heights, living within the Keeler School boundary, will remain at Keeler School until they complete Grade 6. These students will transition to Ernest Morrow School for Grade 7 in the 2023-24 school year.

Additionally, Ernest Morrow School will continue to offer Grade 6-9 regular program to their other designated communities in the 2022-23 school year and beyond. This grade configuration change is only effective for Forest Heights students living within the Keeler School boundary.

### Grade configurations for schools serving the Forest Heights community students at Keeler School:

School Year	Keeler School	Ernest Morrow School
2021-22	K – Grade 5	Grade 6 – Grade 9
2022-23 and beyond	K – Grade 6	Grade 7 – Grade 9

### Grade configurations for schools serving the Redstone community:

School Year	Keeler School	Rundle School	Dr. Gordon Higgins School
2021-22	K – Grade 5	Grade 6	Grade 7 – Grade 9
2022-23 and beyond	K – Grade 6		Grade 7 – Grade 9

### Transportation Services

Students are eligible for transportation to their designated school if they live beyond the walk zone. Information regarding [transportation services and fees](#) is available on the CBE website.
