Notice Regarding Boundary Changes for Douglas Harkness and Pineridge Schools

Dear Parents/Guardians,

To balance enrolment at the schools in the Pineridge community, the Calgary Board of Education (CBE) wishes to inform you of the creation of new designation boundaries for Douglas Harkness School and Pineridge Schools.

Effective Sept. 2023, there will be a new regular program designation boundary for students residing in the Pineridge community. All **new** students will be designated to the following schools based on where they live (see attached maps for attendance areas).

Will these changes affect students currently at Pineridge and Douglas Harkness Schools?

All students currently attending Pineridge School or Douglas Harkness School will be able to remain at their current school until they graduate from the school or move from the community.

Students, who will have a younger sibling starting in kindergarten in their newly designated school in the 2023-24 school year, have the option to transfer to that school for the 2023-24 school year and beyond.

How do I register for school next year?

Kindergarten registrations for the 2023-24 school year begin in January 2023. For more information on how to register, please visit [our website](https://www.cbe.ab.ca).

How will students get to school?

All K-6 regular program students residing in the community of Pineridge are within walking distance of their elementary school. Therefore, no transportation services will be provided for students to either Douglas Harkness School or Pineridge School.

What if I have more questions?

If you still have questions or require additional information, please contact the Area 4 office at Area4@cbe.ab.ca or 403-777-6233 (extension 0).
