Notice Regarding School Designation for Grade 7 to 9 Students Residing in Martindale

Dear Students and Parents/Guardians,

The Calgary Board of Education (CBE) would like to inform you that Crossing Park School is over capacity and is no longer able to accommodate all students who live in Martindale for the 2023-24 school year and beyond. For this reason, CBE will be capping enrolment at Crossing Park School and designate an overflow school.

Effective for the 2023-24 school year, the following changes will be implemented:

- A cap on Grade 7-9 enrolment at Crossing Park School.
 - Grade 7-9 students living in the Martindale community who cannot be accommodated at Crossing Park School will now be designated to an overflow school: Clarence Samson School in Pineridge.
 - A lottery will be held for Grade 7 students. Students who are unsuccessful in the lottery process will be designated to the overflow school and placed on a call-back list.

No Changes for Current Grade 7-8 students Attending Crossing Park School

Current Grade 7-8 students who live in the Martindale community and attend Crossing Park School will be able to remain at the school, provided they do not move out of their community.

Where will my child attend school next year?

Kindergarten to Grade 5 students attending Crossing Park School will be able to remain at the school to complete Grade 6, provided they do not move out of their community.

Martindale students currently in Grade 6 entering Grade 7 in 2023-24 will be a part of the CBE lottery process. If unsuccessful in the lottery process, students will attend the designated overflow school.

Information about the CBE lottery process is available at [Lottery Information for Parents](#).

How do I register for school next year?

Grade 6 students in the Martindale community, currently attending Crossing Park School and Manmeet Singh Bhullar School, will automatically be included in the lottery for Grade 7 at Crossing Park School.

New students in Grades 7-9 will need to register at Crossing Park School. To be included in the lottery, registrations must be received by noon on Tuesday, Feb. 14, 2023. Registrations received after the lottery date will be added to the appropriate priority level on the call-back list in the order received.

If unsuccessful in the lottery, students will automatically be registered at the overflow school, Clarence Samson School.

Information about the CBE lottery process is available at [Lottery Information for Parents](#).

For more information on how to register, please visit [our website](#).

How does a call-back list work?

If space becomes available in Crossing Park School throughout the school year, that space will be offered to students on the call-back list who are currently attending Clarence Samson School. The call-back list is prioritized based on the draw order established through the lottery process.

How will students get to school?

Junior High school students are assigned to Calgary Transit as their mode of transportation. Routes can be accessed at www.calgarytransit.com through the “Plan a Trip” tool. While CBE works collaboratively with Calgary Transit, decisions on service levels are made by Calgary Transit based on available space and resources.
