Notice Regarding Designation Change for Nolan Hill Community Students Designated to Sir Winston Churchill High School

Dear Parents/Guardians,

Sir Winston Churchill High School is over capacity and the school is currently 121 per cent utilized. Earlier this August, a decision was made to overflow new student registrations for the 2022-23 school year to Robert Thirsk High School. Given current enrolment trends, it is anticipated that the number of students from the currently designated communities and programs will continue to exceed spaces available at Sir Winston Churchill High School in the coming years.

To address these enrolment pressures at Sir Winston Churchill High School, a decision has been made to re-designate regular program students from the Nolan Hill community to Robert Thirsk High School for the 2023-24 school year and beyond.

Beginning in the 2023-24 school year:

- All incoming Grade 10 students and new registrations attending regular program from the Nolan Hill community will be designated to Robert Thirsk High School.
- Students living in Nolan Hill currently attending Sir Winston Churchill High School who will be in Grade 11 or 12 for the 2023-24 school year can stay at Sir Winston Churchill High School or choose to attend Robert Thirsk High School for the 2023-24 and 2024-25 school years.
 - Current Sir Winston Churchill High School Grade 10 and 11 students from the Nolan Hill community should inform their school Principal of their choice to remain at Sir Winston Churchill High School or transfer to Robert Thirsk High School by Feb. 15, 2023.
 - Students from Nolan Hill who were overflowed to Robert Thirsk High School for 2022-23 school year will remain at Robert Thirsk High School.
- The International Baccalaureate (IB) program designation for Nolan Hill community students will continue to be Sir Winston Churchill High School.

Will transportation be provided for students attending Robert Thirsk High School?

If high school students are traveling to and from school by bus, they use Calgary Transit. Decisions about dedicated routes to high schools are made by Calgary Transit and are dependent on available space and resources. We continue to work with Calgary Transit to inform them of changes.

What if I have more questions?

Please contact your principal if you have questions regarding the designation change for the Nolan Hill community.
