Notice Regarding Overflow Designation for Cambrian Heights School

Dear Parents/Guardians,

The Calgary Board of Education (CBE) would like to inform you that due to continued enrolment growth at Cambrian Heights School, the school will be unable to accommodate all the students from the currently designated communities for the remainder of the 2022-23 school year and beyond. For this reason, enrolment at Cambrian Heights School will be capped, and an overflow school will be established for students living in Livingston and Carrington.

Effective immediately, the following changes will be implemented for students who live in the **Livingston** community:

- All **new** kindergarten to Grade 6 students designated to Cambrian Heights School who cannot be accommodated at Cambrian Heights School will be designated to North Haven School for the remainder of the 2022-23 school year and beyond.
- A lottery will be held in February 2024 for kindergarten and Grade 1 entry into Cambrian Heights for the 2024-25 school year. Students who are unsuccessful in the lottery process will be designated to North Haven School. Information about the CBE lottery process is available at [Lottery Information for Parents](#).

The CBE strives to provide options to keep siblings together at a single school. Families with a kindergarten or grade 1 student who is unsuccessful in the lottery, and a sibling who is already attending Cambrian Heights School, may choose to register all children at North Haven School.

Effective immediately, the following changes will be implemented for students who live in the **Carrington** community:

- All **new** kindergarten to Grade 5 students designated to Cambrian Heights School who cannot be accommodated at Cambrian Heights School will be designated to Northern Lights School for the remainder of the 2022-23 school year.
- All **new** Grade 6 students designated to Cambrian Heights School who cannot be accommodated at Cambrian Heights School will be designated to Nose Creek School for the remainder of the 2022-23 school year.
- The designated elementary school for the Carrington community for the 2023-24 school year and beyond is Northern Lights School, as outlined in a [previous notice](#) dated Oct. 28, 2022.

No Changes for current Livingston students

Current kindergarten to Grade 6 students residing in Livingston and attending Cambrian Heights School will remain there.

No Changes for Cambrian Heights, Highland Park, Highwood, and Queens Park Village students

Kindergarten to Grade 6 students residing in the designated portion of the Cambrian Heights, Highland Park, Highwood, and Queens Park Village communities will continue to be solely designated to Cambrian Heights School.

No Changes for Evanston overflow students

The overflow designation for the Evanston community continues to be Cambrian Heights School.

How do I register for school next year?

Kindergarten registrations for the 2023-24 school year began on Jan. 16, 2023. For more information on how to register, please visit [our website](#).

How will students get to school?

Students are eligible for transportation to their designated school if they live beyond the walk zone. Visit [Busing & Transportation](#) for more information. Please note there is a current qualified school bus driver shortage that may impact the service that is provided.

What if I have more questions?

Please reach out to your school principal if you have questions regarding these changes.
