Inform | Chinook Learning Services Expanding to Forest Lawn High School

Dear Students and Parents/Guardians,

As of September, 2023 Chinook Learning Services (CLS) will be expanding into Forest Lawn High School, while reducing classroom space in James Fowler High School.

CLS will now offer courses at Lord Beaverbrook, James Fowler and Forest Lawn High Schools during the 2023-24 school year. Eligible students can register for courses at any of these locations. It is important to the CBE that we can offer course options to students currently enrolled in courses through CLS and those looking to register in the 2023-24 school year.

Why is this change happening?

Enrolment at James Fowler High School continues to increase due to our city's rapidly growing student population. To accommodate this growth, we need to move some CLS classrooms to Forest Lawn High School.

We have explored many options in consideration of this decision. Forest Lawn High School has the available space for CLS to expand into and build its current course offerings. Student programming for Forest Lawn High School students will not be impacted by this move because CLS will move into the current Area 3 office space, which is located in a separate wing in the high school.

More work will be taking place over the coming months to consider how we can continue to support CLS in a way that works best for all CBE students.

When will I find out the schedule and location of fall semester courses?

Course offerings for fall 2023 will be shared on the [CLS website](#) soon.

What if I have more questions?

If you still have questions or require additional information, please contact the Area 5 office at Area5@cbe.ab.ca or 403-777-8412.
