## Notice Regarding Grade Configuration Changes for the French Immersion Program at Mayland Heights and Bob Edwards Schools

Dear Students and Parents/Guardians,

To balance enrolment between schools in east and northeast Calgary, the Calgary Board of Education (CBE) will be implementing a grade configuration change to the French Immersion program at Mayland Heights and Bob Edwards Schools.

These changes will help balance system enrolment and allow more students to attend school closer to home.

### Effective for the 2024-25 school year and beyond, the following changes will be implemented:

- Mayland Heights School will change from a kindergarten to Grade 5 to a kindergarten to Grade 6 configuration for the Early French Immersion program starting in the 2024-25 school year.
- The Grade 6 Intensive French program will be offered at Mayland Heights starting in the 2024-25 school year.
- Bob Edwards School will offer a Grade 7 to 9 Early and Late French Immersion programs starting in the 2024-25 school year.

These changes mean that current Grade 5 Early French Immersion program students will remain at Mayland Heights School next school year.
