Notice Regarding Overflow Designation Changes for Acadia School

Dear students and parents/guardians,

Starting earlier this year, Acadia School had been at capacity, and students who could not be accommodated were designated to Ethel M Johnson School.

Starting immediately, Acadia School will no longer be in an overflow situation as the school has been able to increase classroom spaces. Additionally, this means there will not be a lottery for new and incoming students in the 2025-26 school year.

If you have questions or require additional information, please contact the Area 5 office at 403-777-8412 (extension 0).
