Notice Regarding Overflow Designation Changes for Sir Winston Churchill High School

Dear students and parents/guardians,

For several years, Sir Winston Churchill High School had been at capacity, and students who could not be accommodated were designated to William Aberhart High School.

Starting immediately, Sir Winston Churchill High School will no longer be in an overflow situation as modular classrooms have been added to the school. Additionally, this means that there will not be a lottery run for incoming students in the 2025-26 school year.

If you have questions or require additional information, please contact the Area 1 office at 403-777-8710 (extension 0).
