The Calgary Board of Education (CBE) is excited to welcome students living in the Taza Park community. Taza Park is a new community located in Tsuut'ina Nation, bordering Calgary's southwest city limits. The area is expected to be developed over the next 20+ years.

Although the community falls outside of current CBE boundaries, Alberta Education and Childcare has asked the CBE to designate students living in Taza Park to CBE schools.

The following notice outlines school designations and transportation options.

### What are the school designations for Taza Park?

The CBE has selected three regular program schools within reasonable distance to designate future students living in Taza Park. Based on the projected growth of the area, these schools are expected to have space to welcome these students over the next several years.

Students residing in Taza Park are considered *non-resident students* under the CBE AR-6090: [Child and Student Registration and Admission](#), and have been granted an exception by the CBE, as directed by the Government of Alberta, to be designated to select CBE schools. These schools are outlined below.

#### Regular Program:

Elementary	Junior High	Senior High
Jennie Elliott School 3031 Lindsay Dr SW t   403-777-8350	Bishop Pinkham School 3304 63 Ave SW t   403-777-7840	Central Memorial School 5111 21 St SW Calgary, t   403-243-8880

Please view map at the end of notice that shows the location of the regular program schools available to students living in Taza Park.

#### Alternative Programs:

The following chart outlines Taza Park school designations for alternative programs. Please note, Taza Park community students can apply to programs where space exists and that are not in lottery or in closed enrolment status.

*\* Programs with an asterisk (\*) are expected to be in lottery for the 2026-27 school year. Schools in lottery are subject to change. Please see [Schools With A Program In Lottery | Lottery | Registration | Calgary Board of Education](#) for the most up to date information on schools in lottery.*

*^ Programs with a caret (^) are expected to be in closed status for the 2026-27 school year. Schools' statuses are subject to change. Please see school enrolment status on the [Registration | Registration | Calgary Board of Education](#) under "Transfers" for the most up to date information on schools in closed status.*

For information regarding alternative program registration, or designations to CBE programming opportunities, visit [Program Options](#).

Note: Indigenous students living in the Taza Park development who are registered Tsuut'ina Nation citizens or community members are considered resident to the CBE and may attend any regular or alternative program school at the CBE upon first registration to a CBE school.

## What are the transportation options?

The CBE requires maintained roads, clear of obstructions for safe driving, as well as loading and unloading of students. [New and emerging communities](#) are regularly assessed for their suitability for transportation services. Once there is a safe path and stop location, the CBE will review adding yellow school bus stops within the Taza Park development for regular program students.

The CBE provides yellow school bus transportation to students who:

- Attend their designated school, and
- Live beyond the [school walk zone](#), and
- Are assigned to general transportation.

Registration is required for all students needing transportation to CBE designated schools. At this time, yellow bus transportation for regular program students will be offered with a single bus stop expected at Grey Eagle.

[Calgary Transit](#) is a partner for providing some of the busing for middle school and high schools. As Taza Park is not currently serviced by Calgary Transit, the CBE will provide temporary yellow school bus service to support regular program students who would normally be assigned to Calgary Transit.

Students registered for alternative programming, may be designated to general transportation under the [congregated bus stop model](#) or to Calgary Transit. A congregated bus stop may be beyond reasonable walking distance from a student's home and families may need to arrange transportation to and from the stop.

Visit [Busing & Transportation](#) for information regarding transportation services, [fees](#) and [walk zones](#).

## What if I have more questions?

Please contact your designated school's principal if you have questions.

If you still have questions or require additional information, please contact the Area 7 office at [Area7@cbe.ab.ca](mailto:Area7@cbe.ab.ca) or 403-777-8750 (extension 0).
