

School Designations for East and Northeast Calgary Non-Residential Communities

Managing Space for Students | cbe.ab.ca

Calgary Board
of Education

July 14, 2026

Dear parents/guardians,

As part of the Calgary Board of Education's (CBE) 2026–2029 System Student Accommodation Plan (SSAP) and our commitment to keeping families informed, we are sharing information about school designations for future students living in East and Northeast Calgary non-residential communities. Historically, these communities were commercial or industrial in nature with no residential population, and therefore no assigned school boundary. These new designations will ensure consistency and a smoother registration process for families that may move into these communities in the future.

This notice outlines the school designations.

What are the school designations for the regular program?

Effective immediately, Regular Program kindergarten to Grade 12 designations are as outlined below.

Please note: Some schools below are in overflow, meaning students registering to one of these schools will be overflowed to a secondary school site until space becomes available.

Overflow designations can change – for a current list of schools in overflow please visit:

cbe.ab.ca/overflow-schools.

Alternative Programs:

For information regarding alternative program registration, or designations to CBE programming opportunities, visit [Program Options](#).

What are the transportation options?

In new and developing communities, or in non-residential areas that might not have the same level of community infrastructure, the CBE requires maintained roads, clear of obstructions for safe driving, as well as loading and unloading of students. Once there is a safe path and stop location, the CBE will review adding yellow school bus stops.

The CBE provides yellow school bus transportation to students who:

- Attend their designated school, and
- Live beyond the [school walk zone](#), and
- Are assigned to general transportation.

Registration is required for all students needing transportation to CBE designated schools.

Students registered for alternative programming, may be designated to general transportation under the [congregated bus stop model](#) or to Calgary Transit. A congregated bus stop may be beyond

reasonable walking distance from a student's home and families may need to arrange transportation to and from the stop.

Visit [Busing & Transportation](#) for information regarding transportation services, [fees](#) and [walk zones](#).

What if I have more questions?

Please contact your current school if you have questions regarding these changes.

If you still have questions or require additional information, please contact the Area 4 office at Area4@cbe.ab.ca or 403-777-6233 (extension 0) and Area 3 office at Area3@cbe.ab.ca or 403-777-6820.
