## PARENT DROP-IN OPEN HOUSE

### Area IV Accommodation Challenges

### West Springs and Wildwood Schools

January 23, 2014  
5:00 – 7:00 p.m.  
Rosscarrock School  
1406 - 40 Street SW

Parents are invited to attend a drop-in open house at Rosscarrock School. This open house is being held at Rosscarrock School because all scenarios to address these accommodation issues involve Rosscarrock School as part of a solution. The purpose of this open house is for parents to:

- Review the data collected
- View the scenario selected for this accommodation challenge
- Provide feedback on implementation of the decision

Feedback from the open house will be used to develop an implementation plan and inform principals as they work together on transition plans.

There are no planned activities for children, however if childcare is problematic please bring them along.

*During this next week, if you have additional information that you would like administration to review, please submit your feedback to [yourvoice@cbe.ab.ca](mailto:yourvoice@cbe.ab.ca) no later than Sunday, January 17, 2014.*
