Aboriginal Learning Centre Open House

The Calgary Board of Education is creating a beautiful place for Aboriginal learning and celebrating.

The Aboriginal Learning Centre (ALC), which will be located at the Harold W. Riley School in the Dover community, will...

- support Aboriginal learners between the ages of 3 – 8 and their families
- be a place for high quality learning focused on a holistic learning model (mental, physical, emotional, spiritual)
- support opportunities for all people to learn about Aboriginal history, contributions, languages

We hope you can join us to learn more about the ALC, its program, and to see what the building will look like when the renovations are complete.
