Dear Students and Parents/Guardians,

## Notice for families with students at Tuscany School (K-Grade 3) and Twelve Mile Coulee

This letter is for families with students at Tuscany School (K- Grade 3) and Twelve Mile Coulee School.

During an accommodation review in the spring of 2014, Tuscany community residents were involved in a community engagement process regarding enrolment pressures at Tuscany schools. Community members, through an online survey, indicated a strong desire to keep all students from the Tuscany community together in the two community schools until the new elementary school is opened.

A review of student enrolment in September at both Tuscany School (K-Grade 3) and Twelve Mile Coulee has been completed and has shown that both schools are able to accommodate all registered students for the 2014-2015 school year.

This news means that a temporary solution is not required for Twelve Mile Coulee students at this time and the CBE is able to accommodate Tuscany residents in the school.
