W.H. Cushing Workplace School

December 12, 2014

The lease space which accommodates W.H. Cushing Workplace School will expire on July 31, 2016. The CBE is consulting with parents to find an alternative location.

At the parent meeting on December 10, 2014 CBE administration presented information on the following items:

- Thoughtexchange data
- The search for space downtown
- Schools Near Downtown with Space
- Designated Schools with Lottery Process in Effect
- Next Steps

Working with CBE's Corporate Partnerships and Leasing Department, CBE Communications issued a news release on December 11, 2014. The CBE is seeking expressions of interest in a unique partnership with downtown corporations. For more information on the news release please see the website here <http://www.cbe.ab.ca/news-centre/news-media-releases/Pages/default.aspx>

[Corporate Partnerships](#) will be accepting expressions of interest from corporate Calgary over the next 3-4 months. All submissions will be reviewed to determine suitability based on the specifications required by the CBE and Alberta Education contain in the new release above.

All information from this meeting is posted on the CBE website <http://www.cbe.ab.ca/schools/managing-space-students/school-planning-engagements/Pages/w-h-cushing-workplace-school.aspx>

The CBE will continue to keep parents updated via your Principal at School Council meetings.
