## Haysboro School celebrates dream catcher garden

CALGARY – Media are invited to join students and staff from Haysboro School in a celebration of the inaugural planting of the school's Dream Catcher Garden. The outdoor space is designed in the shape of a dream catcher with ten raised vegetable beds, nine native species of plants and seating for an entire class.

The event will include a video message from Mayor Naheed Nenshi; presentations from Sheila Taylor, trustee, wards 11 and 13 and Margaret McBride, principal, Haysboro School; and a story and blessing by Marion Lerat, Cree Elder. The students will present their plantings, perform a celebration song and unveil a dedication plaque.

Through the creation of this garden, students will learn about horticulture and nutrition with an overall goal of deepening a respect for oneself and nature. Parents at the school volunteered to build and maintain the garden. Donors have also contributed to the project.
