IAP2 Spectrum of Public Participation

International Association
for Public Participation

Increasing Level of Public Impact

| | Inform | Consult | Involve | Collaborate | Empower |
|----------------------------------|--|--|---|---|--|
| Public participation goal | To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions. | To obtain public feedback on analysis, alternatives and/or decisions. | To work directly with the public throughout the process to ensure that public concerns and aspirations are consistently understood and considered. | To partner with the public in each aspect of the decision including the development of alternatives and the identification of the preferred solution. | To place final decision-making in the hands of the public. |
| Promise to the public | We will keep you informed. | We will keep you informed, listen to and acknowledge concerns and aspirations, and provide feedback on how public input influenced the decision. | We will work with you to ensure that your concerns and aspirations are directly reflected in the alternatives developed and provide feedback on how public input influenced the decision. | We will look to you for advice and innovation in formulating solutions and incorporate your advice and recommendations into the decisions to the maximum extent possible. | We will implement what you decide. |

Consult

Our goal is to *consult* with you by obtaining your feedback on:

- Possible scenarios to Grade configuration of Dr. Roberta Bondar School
- Your own ideas to address accommodation continuum for K-9 students living in Aspen Woods and Strathcona Park (West of 69th St)

By *consult*, we mean that

- We will keep you and other identified stakeholders informed, listen to and acknowledge your concerns and aspirations, and provide feedback on how your input was used to influence the final decision

Scope of influence

Your input may influence

- Selection of accommodation options
- Implementation of accommodation options

The final decision on programs and grade configuration will be made by the Area Director and Director of Planning & Transportation.

We will also provide you with an opportunities to offer feedback throughout this engagement process.

Issue

The opening of Dr. Roberta Bondar School provides an opportunity to review the school designations for students K-9 living in the community of Aspen Woods and Strathcona Park (West of 69th St).

Current Situation

Currently K-9 students from Aspen Woods / Strathcona are designated to 4 different schools, 3 elementary schools (K-GR6) and 1 junior high (GR7-9).

Map

Long term capital plan

Long term plan for the K-GR9 learning continuum is a K-4 at Dr. Roberta Bondar with yet to be approved middle school which would accommodate students in GR5-9.

Currently, the middle school for the community has been requested through our 3 Year School Capital Plan 2016-2019 and it is ranked as 19th on the new school construction priority list.

Community rankings are revised annually to reflect demographic trends and changes in student populations.

Dr. Roberta Bondar School

The new school was approved as an elementary school. We have two accommodation concepts to consider:

- K-GR 4 at Dr. Roberta Bondar School and continue with GR5-6 going Olympic Heights School and moving to Vincent Massey School for GR7-9
- Designate K-GR6 to Dr. Roberta Bondar School and maintain GR7-9 at Vincent Massey School.

Table Conversations

learning | **as unique** | as every student

**Calgary Board
of Education**

Why a table conversation?

- ❑ Each person's feedback is important.
- ❑ We would like you to hear as many view points as possible.
- ❑ As you move to the different tables you will be able to reflect on opportunities and challenges, respond thoughtfully and offer suggestions.

Process

2 of rounds of conversation in 20 minutes each

- Introduce yourselves
- Assign a note-taker
- Each person takes a turn providing an opportunity and challenge presented by the accommodation scenarios presented
- CBE representatives will be circulating to answer clarifying questions

Process

Table 1 - Scenario 1

Table 2 - Scenario 2

Process

At your table you will have:

- ❑ Charts that detail what each accommodation scenario will look like

As you look at the options consider:

- ❑ What are the OPPORTUNITIES?
- ❑ What are the CHALLENGES?
- ❑ Are there other factors that we should take into consideration with the accommodation scenarios?

Next Steps

- Gather and analyze feedback
- Share decision by the winter break via schools and CBE website
