Dear Parents and Guardians,

On Aug. 18, I sent you a letter regarding the opening of our school and that the construction will continue until our first day of classes. I also promised to keep you informed on our school opening.

We are still waiting to receive our occupancy permit, so that we can have full access to the school. We hope to receive this tomorrow. However, if we do not receive the permit by Friday we will not be able to open the school to students on Sept. 6 and will need to delay the first day of school.

I know that any delay in the school opening could be challenging for families, but we must ensure that the school is safe for students to enter.

I will provide a further update as soon as I have more information, but prior to noon on Friday. If you have any questions or concerns, please contact me at auburnbay@cbe.ab.ca. I look forward to seeing you in September.

Sincerely,

Lori Cullen, Principal
Auburn Bay School
