Dear Parents/Guardians:

Re: Update on Marshall Springs School (Evergreen Middle School)

In January 2016, we communicated to parents that Marshall Springs School was expected to be complete in March 2017. At that time an opening date for the school had not been set and we promised to communicate an opening date closer to the completion of construction.

Today, I am pleased to inform you that Marshall Springs School will open in September 2017. A September opening will ensure student learning is not disrupted this school year. Marshall Springs will accommodate students in Grades 4-8 in the first year and expand to accommodate Grades 4-9 for the second year and beyond.

I will start in my role as principal of Marshall Springs School on April 3, 2017. As the principal of Woodman School, I will support Woodman's transition to a new principal when I leave.

Sincerely,
Shawn O'Neill
