Dear Parents/Guardians,

I know that you and your children are very excited to move into our new school building as am I and all the Dr. Martha Cohen staff! Everyone is working very hard to have our new school open, but unfortunately due to unforeseen engineering challenges our school will not open on Jan. 3 as expected.

We are closely watching the construction progress and will provide you with an update through email and the [school website](#) in January when we have the information needed to confirm a revised opening date.

Dr. Martha Cohen School will continue to operate as a “school within a school” at Wilma Hansen School and New Brighton School until our new school is ready to open. Transportation and noon supervision services will remain the same until our new school opens.

Please contact me at drmarthacohen@cbe.ab.ca if you have any questions.

Sincerely,

Jason Hartl, Principal
Dr. Martha Cohen School
