Dear Parents/Guardians,

I know that you and your children are very excited to get into our new school building as am I and all of the McKenzie Highlands staff! Everyone is working very hard to have our new school open, but unfortunately due to unforeseen engineering challenges our school will not open on Jan. 3 as expected.

We are closely watching the construction progress and will provide you with an update through email and the [school website](#) in January when we have the information needed to confirm a revised opening date.

McKenzie Highlands School will continue to operate as a “school within a school” at David Thompson School until our new school is ready to open. Transportation and noon supervision will remain the same.

Please contact me at mckenziehighlands@cbe.ab.ca if you have any questions.

Sincerely,

Kel Connelly, Principal
McKenzie Highlands School
