

## Ron Southern School

483 Silverado Boulevard SW, Calgary AB T2X 2E2

March 15, 2017

Dear Parents/Guardians,

I am pleased to introduce myself as the principal of the new Ron Southern School, which is being built in the community of Silverado.

I am currently the principal of Evergreen School where I work closely with students, staff and families to personalize learning for each of our students. I have experience working in various teaching and leadership roles across the CBE for over 20 years, developing the unique potential of each of our learners. I am also the parent of three children.

At the beginning of April I will dedicate my work to the opening of Ron Southern School. In the months leading up to the new school's opening, I plan to meet with students and parents, as well as hire staff and determine the organization of the school as I prepare the school budget for the 17-18 school year.

For information on the new school and answers to some of your questions, visit [cbe.ab.ca/schools](http://cbe.ab.ca/schools), click on Building and Modernizing Schools and then click on the link for the Ron Southern School. Please check back regularly for updates as new information is posted when it becomes available.

You can also e-mail [cbecommunications@cbe.ab.ca](mailto:cbecommunications@cbe.ab.ca) with any questions related to new school construction and accommodation.

Opening a new school requires ongoing and regular communication with parents and students. I look forward to beginning our shared work together.

Sincerely,

Tori Healing
