Dear Parents/Guardians,

I am thrilled to introduce myself as the new Assistant Principal at Auburn Bay School. As part of the administrative team, I look forward to working closely with the students, staff and families as the next few months unfold and in the next school year.

With me, I bring my previous experience as an Assistant Principal and a Resource Teacher as well as a background in Kindergarten and Specialized Programming. I am passionate about early childhood education and creating an environment where students are excited about learning and feel a sense of success and belonging. Although the early childhood teachers may not be the ones most often remembered as adults, I believe they are the ones that can help instill a sense of wonder and belonging that leads to successful life-long learning.

I have already taken advantage of opportunities to collaborate with the principal, Mrs. Cullen, and will continue to do so as we prepare for the school opening. I look forward to meeting the students and their families and having the opportunity to be part of this new and exciting journey.

Sincerely,
Donna Diaz
Assistant Principal, Auburn Bay School
