

## Marshall Springs School

January 25, 2016

Dear Parents/Guardians,

I am thrilled to announce my new appointment as the principal of the new middle school, Marshall Springs, that's being built in Evergreen.

Most of you will already know who I am as I am the principal of your community's current middle school, Woodman. I have been at Woodman for just over nine years and have enjoyed being the principal of the Evergreen community. This is a fantastic opportunity to create a new school community right in your neighbourhood. I am excited about building a shared vision and look forward to collaborating to make Marshall Springs a great place for all Evergreen students.

As the current principal of Woodman School, I will continue to focus on my responsibilities here until we have a better sense when the new building will be ready. Work has begun at the site and we are still targeting construction completion by March 2017. At this point in time the opening date for Marshall Springs is still TBD. Please continue to check the website for updates, and we will update you as new information becomes available.

I am very excited to work with parents, students and staff to build a new school community that reflects the unique qualities of Evergreen and is a supportive and positive place for your children to learn.

For information on the new school and answers to some of your questions, visit [cbe.ab.ca/schools](http://cbe.ab.ca/schools), click on Building and Modernizing Schools and then click on the link for the new school in your community. Please check back regularly for updates as new information is posted when it becomes available. You can also e-mail [cbecommunications@cbe.ab.ca](mailto:cbecommunications@cbe.ab.ca) with any questions related to new school construction and accommodation.

Please start thinking about what can and should be in this new school Marshall Springs. This will be an amazing journey and I am looking forward to working together to make our vision a reality.

Yours in education,

Mr. Shawn O'Neill  
Principal, Woodman School  
Future Principal, Marshall Springs
