What would you like the CBE to keep in mind as we work to ensure a positive transition for students?

- As a parent new to the public school system, I would like to understand registration requirements and future plans for jr. high as well
- Since this is a walking school – concerned about large enough pick up/drop off zone
- Strongly encourage K-6
 - Maybe not take over flow to accommodate?
- It would be nice to see the prospective student breakdown by what school they will be coming from
- More community notice about updates. We already missed the name survey because it wasn't advertised. I don't want to miss any other chance to have an impact.
